For further information visit: www.scae.com

Gruppo Cimbali – Cimbali has significantly contributed to the history of professional espresso coffee and cappuccino machines in Italy and around the world. Established in Milan in 1912, Gruppo Cimbali is based in Italy, close to Milan. Its 4 manufacturing plants, covering a total of 75,000 m2, of which 40,000 m2 indoor, represent the world's largest area completely dedicated to the production of professional espresso coffee machines. Today the company exports over 70% of its production in more than 100 countries through a network of more than 700 direct distributors that are organized to provide also after-sales support to end users.
