Maestri dell'Espresso Junior 2008

For 17 years, through the “Maestri dell’Espresso Junior” program, Cimbali and illycaffè have been working together to spread the best espresso and cappuccino culture among the students of the Italian hotel and tourism trade schools.

Along with the participation of the Trieste University of Coffee, the 2008 edition involved 100 schools and more than 500 students in the preliminary selections.

The best 24 students will participate to the national final, which will take place in Riccione on the 9th of May. The three winning students will receive a scholarship and their schools will receive a Cimbali machine and a supply of illy coffee.

Gruppo Cimbali – Cimbali has significantly contributed to the history of professional espresso coffee and cappuccino machines in Italy and around the world. Established in Milan in 1912, Gruppo Cimbali is based in Italy, close to Milan. Its 4 manufacturing plants, covering a total of 75,000 m2, of which 40,000 m2 indoor, represent the world’s largest area completely dedicated to the production of professional espresso coffee machines. Today the company exports over 70% of its production in more than 100 countries through a network of more than 700 direct distributors that are organized to provide also after-sales support to end users.
